

My Dear Clients,

When Covid hit in 2020, I chose to forgo sending out Christmas cards in favor of helping in our community by purchasing Christmas Dinners for the underprivileged and those in need of help, through the Ottawa Mission.

I am continuing this new tradition by purchasing meals for those in need at the Ottawa Mission and to help out at an international level, I purchased a goat for a family through Plan Canada. On the dinner tables for all the people that we provided dinner for at the Ottawa Mission they will place a Card stating, "Dinner courtesy of John Bruce and his clients at Research Capital."

I have included the details of the goat gift so that if you would like to help out some more on your own, there is a link to donate.

It seems that as we finish with one pandemic crisis and learn to live with it, we are faced with an economic challenge of high inflation. Inflation is hurting many Canadians as they find they have less money to take care of themselves and their families.

In the spirit of Christmas and good will to all, I hope that these gifts have brought some relief and hope to those less fortunate than we.

Merry Christmas and Happy Holidays to all!

John Bruce
